

October 29, 1975

MEMORANDUM FOR: Associate Deputy Director for Intelligence
SUBJECT : Public Presentations

1. Between January and April 1976 I am scheduled to preside over three "seminars" for American high school students visiting Washington under the auspices of a non-profit, non-partisan organization [REDACTED] This rapidly expanding program will bring about 10,000 students to Washington this year to see how the federal government works.

STAT

2. My participation in the program was approved by the Agency last year. I encountered no problems in responding to questions related to my presentation: "Working as a Political Analyst at the CIA." No classified material is involved.
